Dear Ms Sweetland:

Copies of Photos

Thank you very much for your fax letter of August 11, 1992, which I just received by fax from JAVA's office (Aug 14, 17:40).

It must have been received by the JAVA's office on the 12th our time, but our representative Ms. Nogami was on vacation this week (just once a year) and other volunteers could not read it and did not understand the urgent matter. I'm very sorry for the delay.

I have called Ms Elizabeth Oliver of ARK (Animal Refuge Kansai), who had sent you one set of photos before, to send you three copies of each photo by express airmail. But Ms Oliver's ARK is located in the country and it's Friday evening now. So it will be early next week that she can have copies printed and send them to you.
