Dear Oliver-san:

I just received the attached fax from Ms Mary Beth Sweetland of PETA.
It is dated Aug 11 so must have sent to the JAVA's office on the 12th
our time but Nogami-san was on vacation and it seems the other members
there did not notice the fax until now (Aug 14, 17:40).

I'm very sorry for the delay.

Could you send the copies of photos to her by express airmail?

Thank you very much.

Yours sincerely,
