I write on behalf of Elizabeth Oliver seeking some addresses from you.

Elizabeth Oliver has prepared an update on the Tenri situation to send to all the animal groups and people who were sent postcards and supported the Tenri campaign.

We have the list of people and groups, which you prepared, that were sent information and postcards. However, we don't have the addresses.

If you have these addresses available we would appreciate it if you could fax them to ARK as soon as possible.

Thank you for your help.

Best wishes
