FITZWILLIAM KENNEL AND RUN

This combined kennel and run has been built by Neaversons since 1890. The front and side openings are fitted with $\frac{3}{4}$ " iron bars 2" apart and drop down shutters complete the sides. A removable sleeping compartment is fitted across the back of kennel. The top of this compartment forms a day bench. Shutters can be fitted to close in the front at extra cost. Floor to run also at extra cost.
