Dear

The Embassy of Japan has called us, after receiving our letter concerning the Tenri Hell-hole.

They don't know where it located in Japan. Could you give us more details ?

Looking forward to hearing from you,

With kindest regards,

Jeanne

P.O. B. M. 1

Help! What exactly should we say... or send? Perhaps copies of Jōsei 7 rather than other Jōsei articles? By fax? Do you know how?
