"No matter how abusive or inconsiderate its owner has been, a dog will turn his other cheek and continue to love him. And loyalty - I have never found in a human being loyalty that is comparable to a dog's loyalty. And yet people buy a dog as they buy a plant, and treat him like a plant after they get him. They buy him from pet shops or backyard breeders without checking on the dog's condition. They breed the dog because they thinks it would be cute to have puppies. They haven't the slightest interest in or concept of the spiritual qualities of the dogs they buy."

Doris Day

どんなに飼い主が虐待したり、思いやりがなくても、彼は逆の頬を差し出し、飼い主のことを愛し続ける。そして、忠誠心一私は今までに犬の忠誠心に匹敵するほどの人間の忠誠心を感じたことがない。未だに人間は犬をまるで植物を買うかのように購入して、植物のように彼を扱う。彼らはその犬のコンデションなどチェックせずにペットショップから、または庭先のブリーダーから購入する。彼らは子犬が生まれたらさぞかわいいだろうというだけで、犬に子供を生ませる。犬たちの魂の質に対してなど、ほんの少しも考えたりしないのだ。
