AUTUMN 2006 NUMBER

"Often strays have all the qualities which one can desire in a dog....

A dog of the street which is adopted, has humility and is extraordinarily faithful to its owner, as if it were grateful for their gentleness."

King Bhumibol Adulydej of Thailand

「野良犬こそは、理想的な性格の持ち主。どこかの家庭に迎えられたなら、でしゃばらずにご主人を立て、あくまでも忠誠を尽すもの——まるで、人間のやさしさに恩返しをするかのように。」

(タイ国王、プミポン・アドンヤデート)
