

The conclusion of this is that, among many other things, world renowned criminologists state loud and clear that: Children who are cruel to animals will be potential criminals when adults, making this life a true holocaust of manufactured physical violence and suffering as well as mental agony and misery...

PILAR TABERNER
Apartat, 190
17130 L'Escala
Cataluna, Spain

A handwritten signature in black ink, appearing to read 'P. Taberner'. The signature is stylized with a large, sweeping loop at the end.
