Dear Colleague,

In January we asked your help to influence the buyers who were coming to Finland to buy Finnish fur pelts in the largest auction of year. Now, another large fur auction will take place here in Finland on 1-4 April 1993.

This is an excellent opportunity for you to contribute to the decline of fur sales! We hope that you could make a lot of noise of animal welfare, environmental and other problems on fur farming, especially on Finnish fur farms. In January we sent you up-to-date material on Finnish fur farming, and in those papers you will find a lot of points that your campaign can be based on. We are sure that, if the buyers see a lot of arguing against furs, they certainly do not buy as many fur pelts as otherwise.

Best wishes,

Mr Mauri Leivo
Anti-fur co-ordinator
Animalia-FPA

PS. Could you please send a copy of this letter to ms Atsuko Sato of No Fur Fund, too. Thank you so much.
