

Boycott fur. Don't buy coats with fur trimmings or cute
fur toys. Boycott stores that sell fur and write ~~and~~
~~tell~~ ^{to} the manager of the store and tell him why.
Tell your friends and everyone you know that wearing
fur is not fashionable, but cruel and insensitive.

Please take one of these posters with you today
and distribute it somewhere ^{where} lots of people will
see it. Let's make them think!
