

Hello!

I hope everyone is well and enjoying the summer. How is the office coming along? I will soon be done here and will be joining you at the end of the month.

the dance party will be this Friday and I think it will be a great success. It would be great to do the same in Osaka. I hope to make about 135,000 yen. I have the opportunity to make T-shirts with the ARK logo for pretty cheap or would you just like the cash? I will call and ask your opinion.

How is the fair in Kobe going? What will you do? If it's the 27th and 28th of July, perhaps I can be there to help.

I am in contact with Ms. McRimmon for the Okayama Animal Welfare group. She is very energetic and kindly, however it is difficult to get information and figures from her. She is not too organized.

Well, you'll hear from me soon.

oh, if you think I can teach English in private lessons somehow, let me know. Is there anyone in that area who would be interested? I'll need to make a little money so I don't go home broke.

peace,

*J. Lang*
