Australia Post Helps Out

From 25th July 1991, Yagoona Post Office will introduce a "postmarker" to promote the RSPCA. Mail being cancelled at Yagoona will carry the RSPCA's logo, as shown at left.

The RSPCA appreciates the thoughtfulness of Allen Dunn from Australia Post Sales Department for coming up with this great idea.

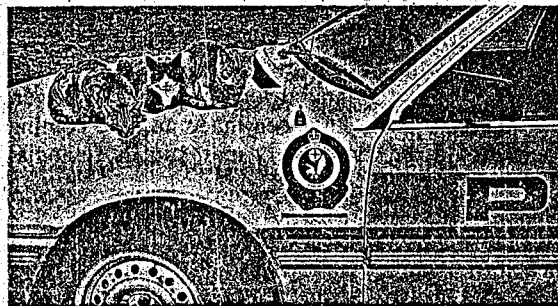

Overseas Update

A member has sent news of Elizabeth Oliver, who runs ARK (Animal Refuge Kansai) in Osaka, Japan, where she accommodates about 60 animals at her own home.

Mrs Oliver set up the Shelter about ten years ago after being very distressed by the immense stray companion animal problem in large Japanese cities. Her Shelter is an alternative to the city pound - which she describes as "draughty, damp and cold... freezing in winter... (with) no beds or blankets."

Mrs Oliver welcomes inquiries about her work, care of 595, Noma Ohara, Nose-Cho, Toyono-Gun, Osaka-Fu, 563-01, Japan.
