Dear Oliver-san:

I've just seen your opinion in the Readers in Council, Japan Times. I'm so glad to see it. When I saw the article on Jerry Sorbara's fur coats, I felt disgusted, and later made some copies to send to PETA, WSPA, Noah's Friends, etc., but failed to write an opinion to send to Japan Times. What I wanted to write was all in your opinion and I hope readers who have fur coats will feel too ashamed to wear them.

Just for your information, NO FUR FUND wrote a letter to the mother of Ms Owada who's been engaged to the Crown Prince after they saw her (mother) wearing a fur coat in a news program on TV. I personally wrote to her too, enclosing information on the cruelty behind fur coats. So far there has been no response from her.

Thank you very much for writing your opinion.

Sincerely,

Miwako Murakami
