Dear friends,

Thanks to Prof. Tanaka, who gave us a copy of your summer 1991 publication, we were able to help a cat who'd been abandoned and was hurt. We've given the ARK copy to neighbors, and then wished we had given it to the science teachers at our new Osaka International School. Perhaps there is a way we can spread the word about helping take care of animals through educating the children.

If you have any copies of the summer issue left, or have a new fall issue, please send one to us, and one to Mr. Kazu Saito, who is Head Teacher of the Osaka Intercultural Academy and whose field is science, especially interested in starting a vivarium. Mr. Dwain Bloyer, a science teacher (biology) of Osaka International School might also appreciate a copy. The address of Osaka International School and Osaka Intercultural Academy is:

Mino-shi, Osaka 562

Thank you very much.

Sincerely,
