For the attention of Elizabeth Oliver, Director of
ARK animal shelter.

I am a reporter working for Pet Dogs
magazine in the UK and have been passed two
copies of your ARK newsletter.

The magazine is planning to run an article on
the problems you face in its next issue.

Therefore, I would be grateful if you could
provide me with some further background
information to help in compiling the article.

Some information on the earthquake
including the towns and cities it affected would
also be welcome.

If possible, some pictures of some of the dogs
in your care would be very useful.

Perhaps you could also supply me with some
further details on how our readers could sponsor
some of the animals.

Information can be faxed to me on:
(01226) 734455.

I can be contacted by telephone on (01226)
734212 after August 29 1995.

If you do have any pictures, please send them
to me at the Barnsley Chronicle,

47 Church Street,
Barnsley,
S. Yorks.
S74 8ES.
England.

I can, of course, return them, if needed.
