Dear Elizabeth,

Here is a donation to help with your efforts on behalf of the pets left homeless from the earthquake on behalf of the Yamadas and our cats, Tabitha & Saba.

Your number was not listed among the those of the animal groups listed in the earthquake information pages of the J. Times and Mainichi Eibun, but I did find it in the article by Cameron Hay on homeless pets (Mainichi), it might be a good idea to have it listed with the others on the information page.

Thank you!

Sincerely

D
