MESSAGE

Dear Annemieke

Mr Sayce has passed your recent fax and list of equipment needed to us. We have received quotes for a number of the items and are now in a position to put together a package of equipment to send.

However, before we place an order, we need to know where the equipment is to be sent. Could you please let us know who to address it to and where it should be sent.

I look forward to hearing from you.

Yours sincerely
