Dear Ms [REDACTED]

We have just received the donation of veterinary equipment that the RSPCA has been so generous to donate, free of charge, to Animal Refuge Kansai.

At present we have provided a haven for over 60 dogs, 40 cats and other small animals left homeless by the 'Great Hanshin Earthquake', in addition to the 100 plus dogs and 50 cats already in our sanctuary. Daily we still receive phone calls about animals in distress in the earthquake zone. Please be assured that the equipment you donated will be put to good use.

I am enclosing a copy of our current newsletter which you may find useful in providing an insight into what is happening since the earthquake. Also I have enclosed our most recent press release and I would be grateful if you would consider placing it in one of your publications. This press release has also been sent to other international organizations such as IFAW, PETA, etc.

Yours sincerely

Elizabeth Oliver (Director - Animal Refuge Kansai)
