Dear [REDACTED]

Thank you for your concern for the animal victims of the earthquake.

Here are the fax numbers of the offices concerned (many were reluctant to give them out and they are not officially listed apparantly). We also have no names of people in charge only the office dealing specifically with earthquake victims' housing problems. (Japanese title is in italics)

Prime Minister's Office. Tokyo . *Sorifu - Kokudocho* 03-3501-5199
(The Prime Minister's name is Mr.Miyazawa)

Osaka Prefectural Office . *Osaka-fucho Shinsai Taisaku Honbu* 06-944-6654 *

Ashiya City. *Ashiya-shi Shinsai Taisaku Honbu* 0797-38-2153

Hyogo Prefecture office. *Hyogo-ken Shinsai Taisaku Honbu* 078-362-3258

Kawanishi City. *Kawanishi-shi Shinsai Taisaku Honbu* 0727-40-1315

* This office was particularly uncooperative and rude saying that under no circumstances would it allow any animals into its apartments, earthquake vicitms or otherwise.

We are of course trying through the media channels here but none have responded so far.

Thanks as always for your support.
