Dear Elizabeth,

Just a short fax to let you know about the fundraising and publicity developments in this part of the world.

We raised AUSS\$1,200 for Ark through our media appeal. I deposited the money in your Westpac account today. Please accept with our best wishes.

We managed to get some publicity on SBS Radio - they broadcast in Japanese for one hour every Tuesday evening (all over Australia, I think). This week they did a piece on ARK. From what I could understand, they read out quite a bit of your press release (I heard them mention "Popeye") as well as mentioning The Lost Dogs' Home. At the end they said that donations could be deposited at Westpac and gave your account details. With a bit of luck you might find some contributions from Japanese animal lovers living in Australia.
