January 18, 1995

Dear Elizabeth,

We spoke this summer when I was in Tokyo and Kobe.

PETA and I are extremely concerned about all of you
with this tragic earthquake.

Please let us know how you are, if possible. What can
we do from here?

I am in L.A. until the 31st and then back to NYC.

We wish you the best of luck.

Sincerely,

[REDACTED]
