Southern Hyogo Earthquake Disaster Countermeasures HQ
National Land Agency

Dear Prime Minister,

Please accept our deepest condolences to the victims of the Huogo Prefecture earthquake.

We request that you instruct the Ministry of Health and Welfare to prepare temporary facilities for homeless animals and extend the holding period specified in the Rabies Prevention Law.

Our shelter is ready to receive animals which will be given shots and other medical care and efforts will be made to re-unite them with their owners. There are many organizations from around the world offering their assistance and support to deal with this disaster but we need the support of the Government as well.

Thanking you in advance for your support, I remain,

sincerely,

Elizabeth Oliver
